

Please come to an Open House

Thursday, April 29th, 5:30 to 7:30

1700 Hayes Street, Suite 100-B

Please come celebrate the opening of the new One-In-Teen Youth Center. For 15 years, One-In-Teen Youth Services, Inc. has provided a safe space for gay, lesbian, bisexual, transgender, and questioning youth between the ages of 14 & 21, to talk about and find support for *being who they are*. The new Youth Center, located in a cozy suite of offices in the 1700 Hayes building, will provide a more permanent foundation for a variety of activities for GLBT youth:

- ▼ Weekly support groups
- ▼ An alternative prom (this year's to be held May 14th)
- ▼ Organization of youth to educate at community functions
- ▼ A coordinating link for the growing number of Gay-Straight Alliances (GSAs) in local high schools
- ▼ Financial assistance for youth to attend national educational conferences
- ▼ Guest lecturers on topics from relationships to STDs to Politics
- ▼ The Wood Scholarship for the Arts to financially assist GLBT students pursuing post-secondary education in the arts.

If you work with young people or care about the welfare of *all* of Nashville's youth, then One-In-Teen is an organization that you will want to know more about. For further information on One-In-Teen, please visit:
